Details:

Once again it is time to do some spring cleaning at Camp Shenandoah and your help is needed!

Boy Scout Troops and Venturing Crews are welcome to camp out the full weekend. Just provide a day of service back to the camp.

We have lots of projects, both large and small that we need assistance with. We are asking units, leaders, scouts and their families to help provide "A Day of Service" to Camp Shenandoah, spend the day with us and help get Camp Shenandoah ready for another summer camping season.

- Projects will range from picking up limbs, stacking wood, general campsite cleanup, leveling tent platforms, repairing tent platforms, and painting signs just to name a few of the projects.
- We have some tools at camp, but if you can bring your own as well as work gloves – that would help tremendously. Tools that could help would include shovels, rakes, strong backs and a helpful spirit to help complete the many projects that need doing!
- *Are you a trade person? Carpenter, plumber, electrician, mechanic, etc. – Let us know!*

Please let us know if you can help and how many people you will be bringing so we have enough food and projects!

Please return the bottom portion of this flyer by email to Ranger Lynn at Brian.Lynn2@scouting.org or mail to Camp Shenandoah: 222 Boy Scout Lane, Swoope, VA 24479. If you have any specific questions on projects – contact Ranger Lynn at Brian.Lynn2@scouting.org or (540) 910-2009.
