

# Camp Shenandoah Chainsaw Safety Course

Stonewall Jackson Area Council is hosting a chainsaw safety course at Camp Shenandoah on January 12, 2019. We will be covering proper maintenance, personal protective equipment (PPE), and techniques for safe chainsaw operation. The course will be held both in class room and in the field. With us doing hands on training, please bring your chainsaw and PPE if you have it. Camp has a limited amount of equipment and PPE.
