Parent Information for Provisional Scouts

Welcome! Preparing Your Scout

To prepare your Scout for camp, download the 2022 Leader's Guide and the Parent Information Guide from the camp web site at www.campshenandoah.org. Click on Scouts BSA Summer Camp for the camp home page. Any materials you need will be posted there. Be sure your Scout's Scoutmaster is aware he/she is attending a week of camp with a provisional troop, so the Scoutmaster can help prepare your Scout.

Advancement at Camp

- Talk with your Scoutmaster about the badges or programs in which you want to participate.
- If there is pre-work or requirements that cannot be done at camp, make a plan with your Scoutmaster to complete those.
- Complete a merit badge application (blue card) and have your Scoutmaster sign it.
- Sign up for the merit badges in Tentaroo: we will set up your profile, so you can select badges, activities and make payments.
- Bring your signed and completely filled out blue card with you *to the first session*.
- When completed, your counselor will sign your merit badge application. If you have not completed the badge by the end of the week (called a partial), the counselor will not sign the application, but will list the requirements that have been completed.
- On Saturday morning before 10:00 AM, parents should check with the Commissioner or Office Manager in the Camp Office for all the paperwork or certificates the Scout earned.

Check-in: 1:00PM – 4:00PM on Sunday

After check in, the Provisional Scout will be introduced with the troop that has adopted them. They will then proceed through the orientation procedure with that troop. Parents are welcome to stay or leave after the Scout is checked in.

Check-in: Turn in all forms for the Scout at the registration table in front of the camp office.

For your Scouts check in procedure, please refer to the Leaders Guide, available at www.campshenandoah.org.

Check-out by 10:00 AM Saturday

Please be on time to pick up your Scout. We would suggest coming to camp early enough to not only pick up the Scout but also to check with camp staff and the Scoutmaster about his advancement and experience during the week.

Contacting your Scout at Camp

If you need to contact your Scout, be sure to obtain the cell numbers of the troop leadership with whom he/she is staying. (cell service is very spotty at camp) We discourage Scouts from bringing cell phones, and many troops do not allow their Scouts to have them. (See our cell phone policy in the Leader Guide) For emergencies, call 540-886-7513. This only rings to the camp director's office, which is staffed from 8:30AM – 9PM Fax: 540-943-6676. Please see the Leaders Guide for mail or shipping information.

More Information

You can find out all the information about your Scout's experience at Camp Shenandoah by downloading the Leader Guide at www.campshenandoah.org. Provisional Scout parents are welcome to discuss advance arrangements by telephone or video (Zoom, Skype or Facebook Messenger). The purpose is to share information about our programs and how to get the most out of your week at camp and answer any questions you may have. To schedule, just contact council Program and Camping Director, Scott Lancey at scott.lancey@scouting.org to schedule a call or meeting.
