

CAMP SHENANDOAH

2019 Provisional Camper Application

A **Provisional Scout** is a Scout who wants to camp a different week from the week chosen by the troop, or who want to attend Camp Shenandoah when their troop camps elsewhere. This individual camper opportunity allows individual Scouts to come and enjoy a full week of summer camp on their own (or with a buddy!).

Individual camper registration is available each week of summer camp operation. Individual Scouts will be connected with a host troop with qualified leadership. Individual campers become adopted-members of a Scouts BSA troop for the week. Fellowship and new friendships flourish as Scouts spend the week together!

Registration is initiated using this form and completed online at Tentaroo. Scouts select Merit Badges and optional programs and can pay online. We will connect the Scout with a host troop and the Scout then prepares for a week of adventure and fun in the heart of the mountains and the Shenandoah Valley.

Cost for provisional camping is:

◆ **\$250.00 for 1st week and \$220.00 for 2nd week at Camp Shenandoah**

Payment is due upon completing online registration at Tentaroo.
