Scouts will love 4-days and 3-nights in Scout campsites where they'll get a true taste of what Scout camping is all about.

At Webelos Resident Camp, Scouts will participate in a variety of activities, including shooting sports, swimming, fishing, Scout skills, and much more. Many of these activities will help Scouts earn various Webelos activity pins. For leaders, it's a great place to spend quality time with your Scouts without the distractions of everyday life and just get out of the indoors for a few days! Resident Camp is pure fun from the time you get up in the morning until the time you crawl into your sleeping bag weary from the day's exciting adventure.
