# Welcome Home to Camp Shenandoah

FELLOW SCOUTERS,

Welcome Home is much more than a slogan. It's our year-round philosophy and culture. Our camp sits nestled in farmland, woodlands, and pastures at the foothills of the Allegheny Mountains, George Washington National Forest. Our private, spring-fed lake offers opportunities for aquatics Merit Badge instruction, recreation, and fishing. The camp's blazed Boundary Trail traverses 4.8 miles around the perimeter of Camp Shenandoah. Camp trails range in elevation from 1,650' to 2,100' and all are relatively easy treks. The mountainous terrain allows for a great variety of plant life with an impressive diversity of trees, shrubs, and herbaceous plants for you to discover. The rustic natural attractions of "CS" are the setting for an excellent program facilitated by an exceptionally trained and enthusiastic staff!

Our staff and our program are the heart of camp. To us, program is more than merit badge classes. It is also specialty programs such as the Camp Shenandoah Olympics, Aquapalooza, and Terrapalooza. It's about FUN! It's about the campfires, the songs, and cheers. We believe that programs and activities are everything you experience; from the time you step out of your vehicle until we wave goodbye and travel home. New Scouts BSA will enjoy the Timber Mountain Program, our First-Year Camper program, while your older Scouts can be challenged with our Merit Badge program. We know that every troop is different and approaches merit badges in its own way. We've added more Eagle required Merit Badges along with fun outdoor sessions in Sailing, Fish & Wildlife Management, and Astronomy. The Camp Shenandoah experience presents a wide variety of activities. Our staff look forward to helping you plan adventures that are right for your troop.

Troops may self-register using the Black Pug online registration service. Pay in full early and earn our discounted rate. You always can direct specific questions to [robert.clemmer@scouting.org](mailto:robert.clemmer@scouting.org).

We appreciate you sharing your summer camp experience with us and look forward to seeing you over "in the woods of Swoope" soon. Until then, Happy Scouting, and let us know how we may serve you.

Yours in Scouting,

**Robert Clemmer**  
District Director

**Jay Fox**  
Council Camping VP

# Reserve Your Space for 2024

A \$100 Reservation Fee is collected at time of your registration. You may:

- Self-register your troop on Black Pug
- Submit a Reservation Form (Fillable PDF)

Once registered, enter the number of youth and adults you anticipate bringing to camp and request campsites. You may adjust these numbers as necessary and begin entering names and selecting sessions as of May 1, 2024. After this date, payment must be received to secure slots for your Scouts.

Provisional Scouts (Scouts not attending with their unit) register in the same manner.

## Provisional Scouts

Scouts who are unable to attend summer camp with their unit are invited to enjoy a week as a Provisional (Provo) Camper. Scouts are placed with a host unit approved by our Camp Director and the unit's leader. Scouts craft their own schedule and stay with the host troop, participating in all camp activities. Scouts register in Black Pug and select "Provisional". Provisional Scouts must bring a complete Annual Health Record and follow check-in procedures.

## Adult Registration

Each unit must always have a minimum of two registered adults at Camp. This includes male and female "linked" units; each must have a minimum two adults registered in their unit. All adults must provide the date of their current Youth Protection Training.

Scouts' best practice is for adults to camp for the full week with their unit. If leaders rotate during the week, each adult needs to register for the days they expect to remain at Camp. Black Pug charges each adult a per diem fee based upon the number of days at Camp.

We provide one tent for two adults, so rotating leaders should plan to utilize the same tent space or let us know if they plan to bring their own tent.

## Financial Assistance

Finances should never prevent a youth from attending Camp. Virginia Headwaters Council offers a Campership program where recipients can be awarded up to 50% off the regular camp fee. This program is for Scouts in our council who need assistance in paying their fees at Camp Shenandoah. These funds are limited to those who are truly in need and offered if funding is available. Units are expected to participate in council fundraising opportunities so that each Scout can participate in summer camp. Applications for camperships should be submitted no later than May 1, 2024 using the Online Campership Application. Until leaders will be notified of campership allotments in June.

## Black Pug Online Registration

Camp Shenandoah uses Black Pug for all online registrations, session selections, rosters, and payments. You may change a Scout's schedule in Black Pug up to one week prior to your unit's arrival. At this point, if a desired Merit Badge is not displayed for a specific session time, it is already full and therefore unavailable.

## Payments

Most units find paying online at Black Pug Checkout with a credit/debit card to be the most convenient way to secure slots for Scouts. Names and sessions in your cart are not confirmed until payment is made. Units may also pay over the phone by calling the Council Office. There is a 3% service fee for online or phone payments.

## Session Availability

All available Merit Badges are displayed for each Scout while selecting Merit Badges in Black Pug. Several Merit Badges have specific age requirements; if a Scout is not the minimum age for the Merit Badge, it will not appear available for that Scout.

This guide notes several Merit Badge sessions with a "requested troop limit," offering the maximum number of troops to access as many Merit Badge sessions as possible. Session size availability is dictated for safety. Camp Shenandoah Administration reserves the right to drop Scouts from a session if the unit exceeds the requested troop limit.

## Refunds

Units may reduce numbers without penalty until May 1, 2024. After May 1, refunds occur only in the event of documented illness or injury prohibiting attendance, family military transfer/deployment, or death of an immediate family member. Email refund requests to the Camp Director. Refunds are calculated at 80% of fees paid and are refunded after August 9, 2024. We are unable to issue a refund to Scouts who must attend summer school or who decide they no longer want to attend Camp or remain in the Scouting program. Refund requests must be made within 2 weeks after their reserved week.

# Health & Safety

## Medical Form

All guests staying at Camp Shenandoah are required by BSA policy to present a current Annual Health and Medical Records (AHMR) form. For most, this includes Parts A, B, & C and includes a physical examination. For those staying at camp for less than 72 hours, only Parts A & B are needed. An incomplete or missing AHMR will require no participation until a completed form is presented to the Health Officer.

There are no exceptions to this rule. We request you bring alphabetized AHMR forms as this greatly expedites review. Our Health Officer securely retains forms in the Health Lodge and returns form at Saturday check-out.

## Special Assistance Request

To help us provide you with the best possible experience, this form is requested at least two weeks before your arrival. This form is also used to let us know of any allergies or dietary restrictions. Additional information for special food and dietary requests is in Meals & Food Service within this guide.

## Medications

Prior to arrival at camp, units fill out the Medical Responsibility Form for each unit member taking medication. Use one form for each camper. The medication dosage schedule should be recorded. The unit leader should be prepared to show these forms at check-in to the Camp Health Officer and update them throughout the unit's week at camp. Prescription medication must be in the original container with the name, strength, dose, and frequency marked on the container. Any over-the-counter medications brought with camper(s) must be labeled clearly and listed on the BSA Health Forms. Generally, all medication will be dispensed in the unit area by a responsible adult leader. Medication must be kept in a locked box. Medication requiring refrigeration or injection is securely kept in the Health Lodge and is dispensed only by the Health Officer or unit leader. It remains the responsibility of the unit leader to assure that the Scout is present at the appropriate times for dispensing. If the BSA AHMR Form indicates that an individual must have an inhaler, EpiPen® or similar medical device, the Health Officer must confirm that the individual has the required item(s) in their possession. If the items are not in possession of the camper or leader, they must either obtain the items indicated on the form or be required to leave camp.

# Merit Badges & Sessions

Scouts should come to Camp with a familiarity of the subjects they will be learning about for the week. We urge unit leadership to be aware:

- Some Merit Badges will not be completed without prerequisites completed prior to arrival at camp.
- Equipment or supplies needed to complete a badge.
- Age appropriateness: our staff relies on troop leadership in determining a Scout's maturity level for Merit Badges
- For first year Scouts, we offer our Timber Mountain Program (TMP). These half-day sessions offer your new Scouts the most basic, Tenderfoot and Second Class requirements. Merit Badges are not offered in TMP; we encourage these Scouts to take merit badges in the other half of the day Monday—Thursday.

## Block Schedules

Merit Badge sessions are offered Monday through Thursday in eight block sessions. Friday features morning Merit Badges in four block sessions. There also are Friday half and all-day Merit Badges.

## Session Selection

Units may enter as many youths and adults they plan to bring at any time. Classes are not confirmed until fees are paid and you check out your cart. We recommend units add numbers as they receive payment so those that pay the unit can select their classes right away. Units may register names and select sessions beginning on March 15, 2024. We always suggest Scouts choose a few alternate choices in the event a session is already full. If a Scout does not complete prerequisites listed for their Merit Badges, they will likely receive a partial completion for the Merit Badge session. Sessions with a participation fee are marked with \$" in Black Pug.

## Leader Merit Badge Review

Immediately after Friday's Closing Campfire, the Program Director and all Area Directors assemble with Scoutmasters. Each troop receives a partial/completion report (excluding Friday badges). Area Directors are available to review everything we have recorded in Black Pug. Staff is happy to make any last-minute corrections so your Merit Badge report will be accurate when you check-out on Saturday. Note: Because Black Pug provides a Participant Report for every Scout, we do not distribute blue cards. Black Pug's permanent record gives you an option to print blue cards at home.

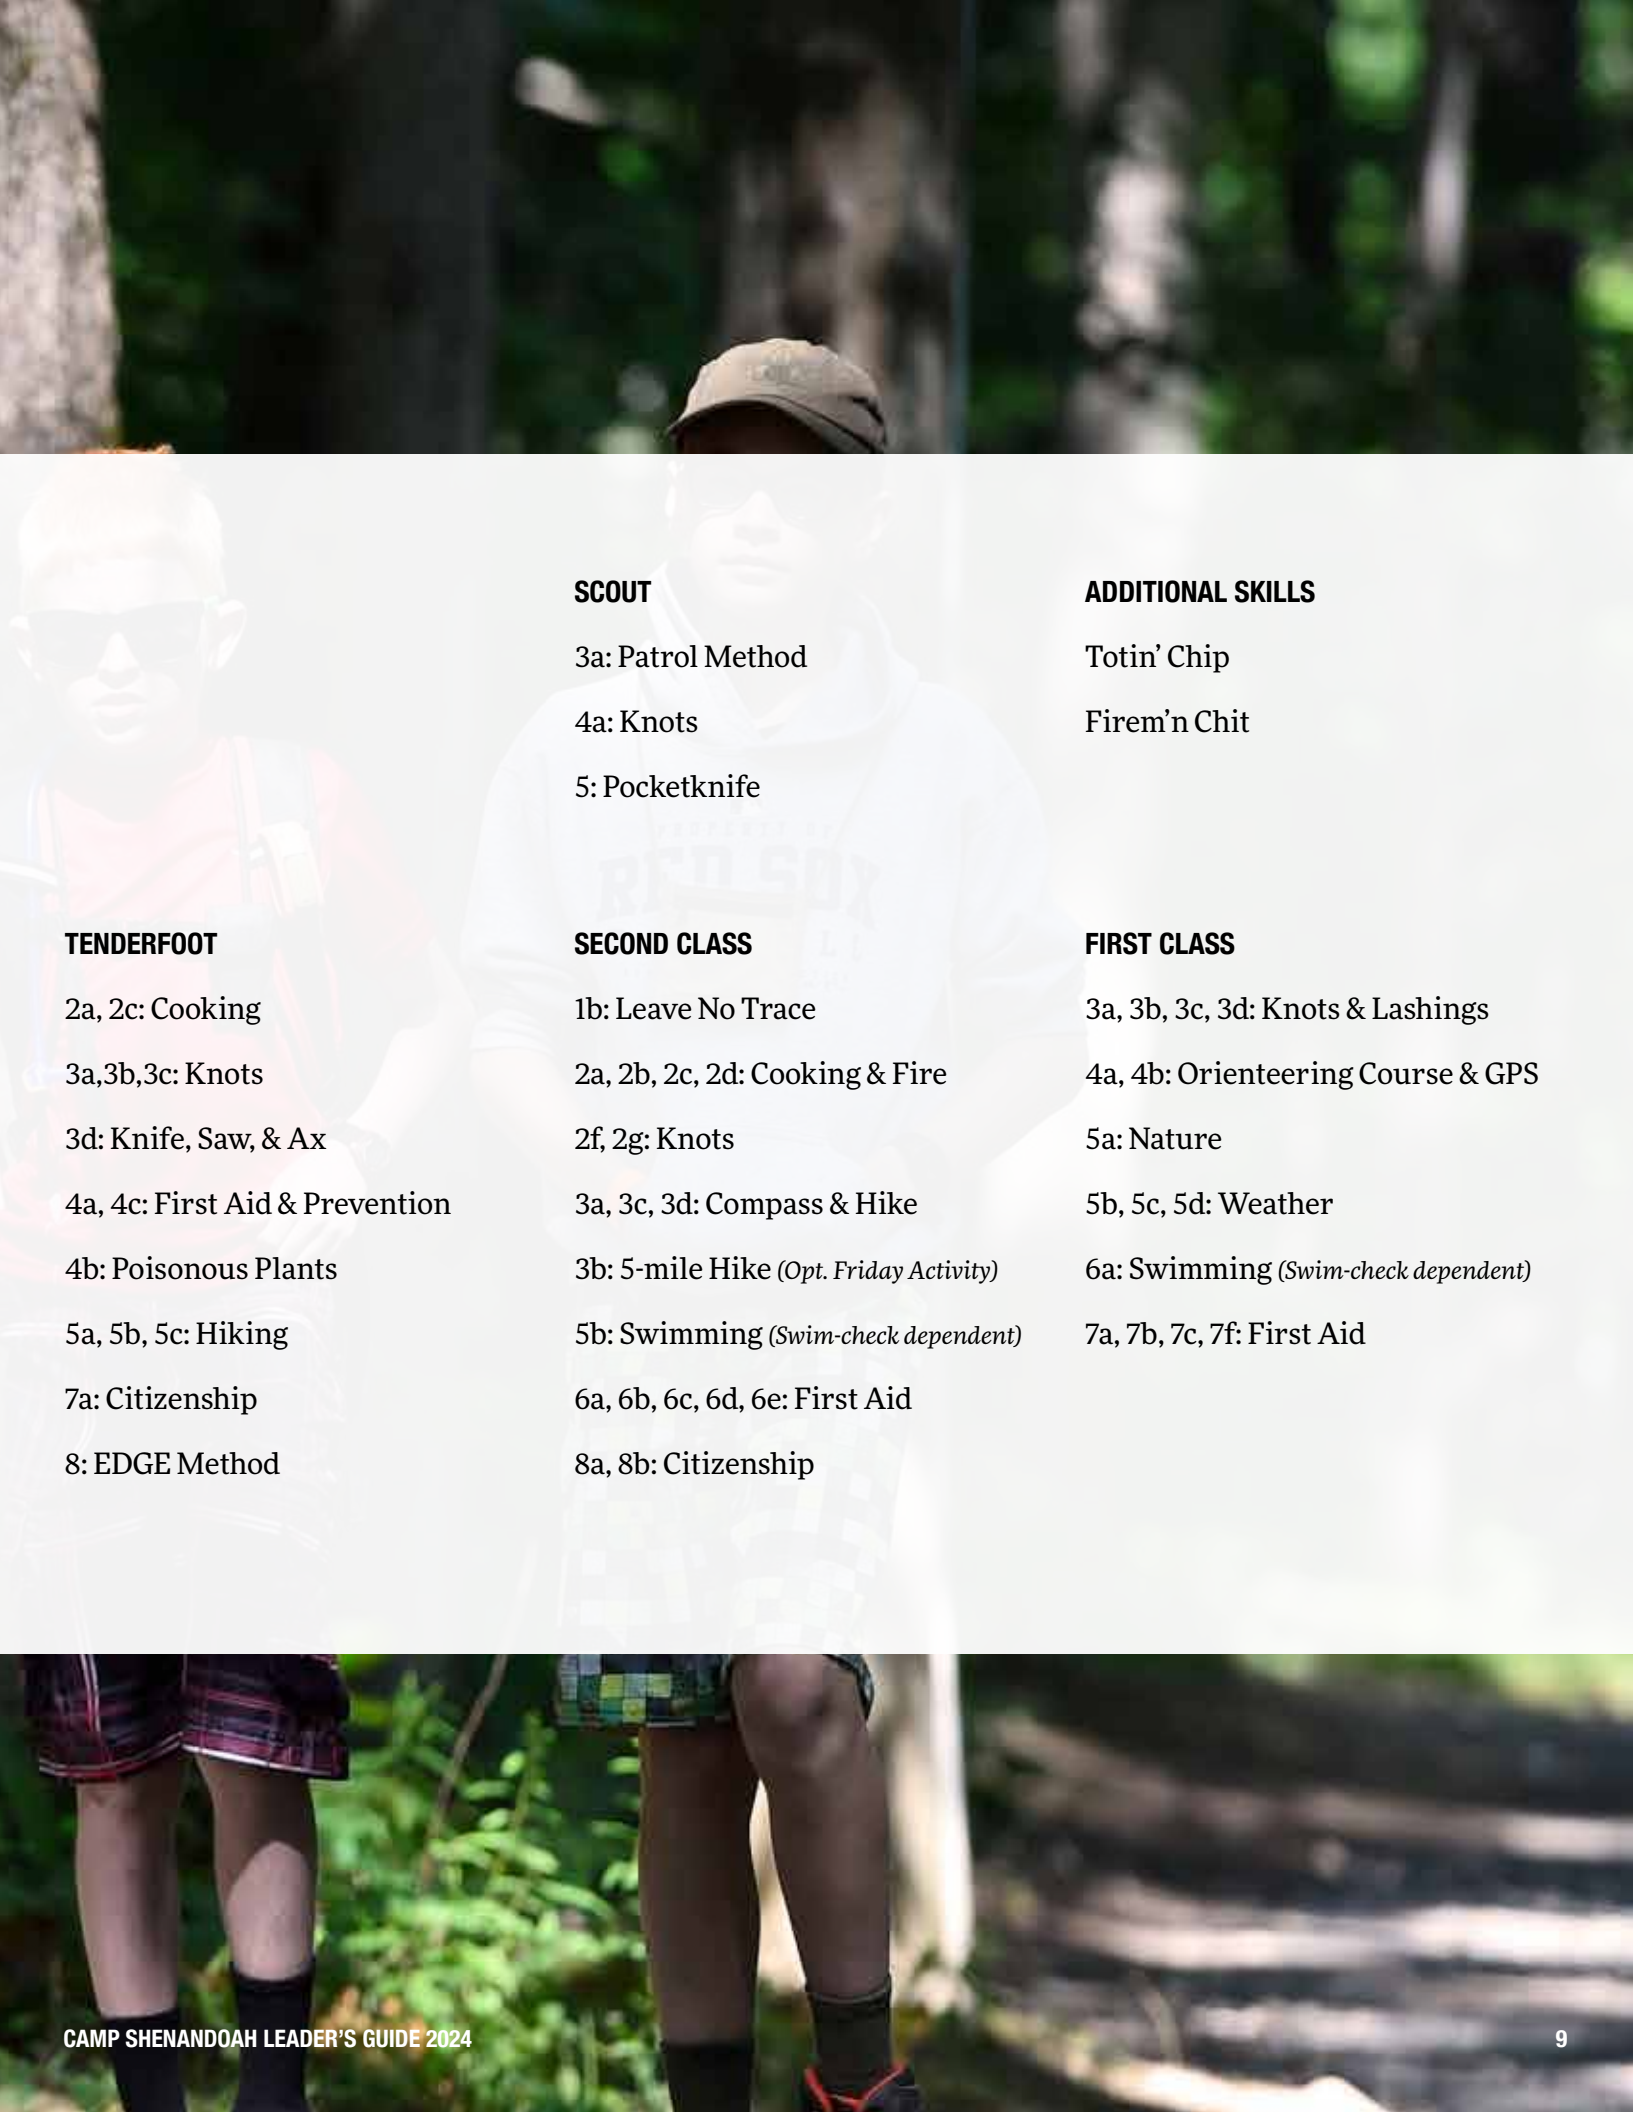

# Timber Mountain Program

Specially designed for newly bridged Scouts or beginners to Scouting, our First Year Program, Timber Mountain Program (TMP), provides an easy transition into leaving home for Scout summer camp without the preparation that may be too much for a newly bridged youth. Scouts learn in a half-day session using the Patrol Method, providing time for the first year Scout to earn Merit Badges or participate in activities outside of the TMP area. Friday morning, TMP staff host an optional 5 mike hike on our Boundary Trail (Second Class 3b). Timber Mountain Program Scouts are welcomed, but not required, to participate in this scenic hike. Adults and other Scouts are welcome to participate!

We request your troop assign at least one adult to actively work with their Scouts in TMP. This includes observation, assistance with safety, discipline, and participation on the five-mile hike. This is an excellent opportunity for adult leaders to forge a bond with their new Scouts that will last throughout their Scouting rime and well into life. Ask any adult former Scout if they recall the name of their first Scoutmaster: they likely will!

The Timber Mountain Program covers the following requirements. Note: completion may vary based upon Scout participation, weather, and other factors.

# Merit Badge Notes

Note: Only merit badges with prerequisites, fees, unit limits, or other special notes are listed here. For a complete list of Merit Badges, please view the 2024 Merit Badge Schedule (Monday-Thursday) and the 2024 Friday Merit Badge Schedule. For verifying prerequisites, simply bring a written note or the completed requirement to your counselor. Alternatively, scoutmasters may sign off on the requirements directly.

## Driving to Camp Shenandoah

### A SCOUT IS COURTEOUS.

After exiting I-81, you'll notice the roads get progressively narrower. Look for and plan to follow the green "Camp Shenandoah B.S.A." signs. Swoope is a rural community; remain alert for oncoming traffic (including farm machinery) and follow posted speed limits. Boy Scout Lane has been graded and widened and we ask you to not exceed 25mph. Plan to arrive at camp between 1:00 - 4:00 p.m. on Sunday. The camp gate will not be opened prior to 1:00 p.m. If your unit cannot check-in during these times, please contact the camp office at least a week prior to the arrival. Outside the entrance gate, you'll warmly be greeted by staff and your Unit Guide for the week. Vehicles are directed to our parking field. One vehicle and trailer may drive into the Camp's interior parking lot where staff and your Unit Guide direct you to your site. The roads in camp follow a one-way loop beginning at the Handicraft Shelter and exiting campsites behind the Dining Hall. All Camp roads have a 5mph speed limit.

## Sunday Check In

Units are greeted by their Unit Guide, a member of the Camp Shenandoah staff. The Senior Patrol Leader and Unit Guide report to the campsite to set camp and settle in. The Scoutmaster reports to the check-in tables beside the Camp Office. Units must bring the following:

- All paperwork such as Special Assistance Requests, Youth Leaving Camp Early, etc.
- Printed final roster from Black Pug
- Out-of-Council troops must provide a copy of insurance policy from your council.
- Registration fees confirmation and any last-minute changes

Our Health Officer reviews and retains all Annual Health & Medical Record (AHMR) forms. This is when you can have a private conversation with the Health Officer regarding any questions or concerns. Prescriptions are reviewed and medications secured. If provided, pre-camp swim checks are reviewed. Troops without pre-camp swim checks report to the Handicraft Shelter and receive a time slot at the waterfront for swim checks or re-checks.

## Pre-Camp Swim Check

Following strict BSA guidelines, units may conduct swim tests prior to camp. Tests must occur within 6 months of the starting date of your unit's week at Camp. Camp Shenandoah requires the exclusive use of our Unit Swim Classification Record. Units must bring a copy of the form to camp. As per BSA NCAP standards, the Aquatics Director reserves the right to retest any Scout if the Director is concerned for the safety of any participants. All Provisional Campers take the swim test. Each Scout and Adult is issued a buddy tag. If a swim classification test done at a unit level, it must be conducted by one of the following Council-approved resource personnel:

- Current BSA Aquatics Instructor
- Current Aquatic Supervision, Swimming & Water Rescue, Scouts BSA
- Other individuals authorized by our council's Aquatics Committee.

As you settle into your campsite, your Troop Guide will be with you to conduct a site inspection. Your Guide will make note of anything needing attention to make your stay as comfortable as possible. Your Guide will also keep you informed on the Sunday schedule.

## Camp Tour

New troops to Camp Shenandoah will be offered a camp tour, showing you program areas, Dining Hall, Trading Post, Admin and Health Lodge. If you've previously been with us and would like a refresher, just let your Troop Guide know.

## Evening Flags

Assemble at 6:15 p.m. Units report to the Parade Field in full Field Uniform. Bring your unit's flag and line up where designated on the field. This will be your spot for the full week.

## Sunday Supper

6:30 p.m. This is our first meal of the week in the dining hall! Enjoy a wonderful meal served by the staff.

## Scoutmaster/SPL & Area Meetings

Your Troop Guide will ensure leaders and Scouts get to appropriate welcoming and organizational meetings.

## Evening Assembly & Campfire

Gather at 8:15 in Field Uniform on the Parade Field to attend the 8:30 Opening Campfire for fun and to meet the staff.

# Awards & Recognition

## Neptune Society

The Neptune Society is exclusive to Camp Shenandoah. The Virginia Headwaters Council Aquatics Committee is pleased to present this coveted council specific award, available to youth and adults; recognizing those who have demonstrated excellence in aquatics skills and safety. The Neptune Society distinguishes those who have achieved extensive experience in the BSA Aquatics Program and demonstrated their devotions to the betterment of skills and safety in and on the water. Those who have completed the requirements for this award will receive a certificate of accomplishment and the prized Neptune Society belt buckle presented by the Aquatics Committee (or possibly Neptune himself!). Requirements and our award applications can be found online and in the Admin building.

## Honor Troop Award

This award is earned by troops that meet the requirements of service and involvement in camp activities. All troops qualifying for this distinction will receive "a blank piece of wood" at Closing Campfire. Troops can decorate their wooden plaques and have them displayed in the Dining Hall at Camp Shenandoah. Requirements for Honor Troop will be available online and at Check-In. Be sure to check out the heritage and creativity demonstrated on many previous Honor Troop plaques adorning the walls of our Dining Hall.

## Scoutmaster Merit Badge

This "merit badge" is earned by completing various requirements that take you to different areas of camp and helping out or doing something Scout-related. A copy of the requirements will be available at Check-In.

## Inspection Award

A Scout is Clean! The campsite with the highest cumulative score for daily inspections receives our special recognition at the Closing Campfire!

## Aquatics Staff Associate Program

In our efforts to provide novel experiences for older guests, we have developed a unique program for Scouts 14-years-old or older who are strong swimmers and are interested in working with the Camp Shenandoah Aquatics Staff for several hours at camp. Participants receive an Aquatics Staff Associate t-shirt and may have the option to be hired as actual camp staff. See our Aquatics Director if interested.

## Shooting Sports Staff Associate Program

Scouts 14-year-old or older who have earned a minimum of two Shooting Sports merit badges and are interested in volunteering with the Camp Shenandoah Shooting Sports Staff on the ranges may apply. Staff Associates help out on one of the ranges for several hours over the week. Participants usually enjoy extra time on the ranges and receive a super cool Shooting Sports Staff Associate t-shirt! If you are interested and qualify, please talk with our Shooting Sports Director.

# Order of the Arrow

## Shenandoah Lodge 258

Shenandoah Lodge is pleased to offer Camp Shenandoah the OA Everyday program. This program ensures that every day of summer camp, Arrowmen have an activity to participate in with our Order. All Order of the Arrow events at summer camp are run by the Camp Chief and other youth members of Shenandoah Lodge. The Camp Chief is a member of Shenandoah Lodge appointed by the Lodge Chief to act in their stead for the duration of summer camp. Let the Camp Chief know if you have any questions about OA Everyday, Shenandoah Lodge, or the OA in general.

### Monday: Medicine Bowl

Take a seat in the Dining Hall at 8:00 PM for the Medicine Bowl. Please arrive wearing your field uniform and OA sash. This is the time to meet your fellow Arrowmen attending summer camp! Ice cream will be served, and the Camp Chief will be your host for a fun, team-based game.

### Tuesday: Brotherhood Questioning

Ordeal members that meet the requirements for the Brotherhood Honor should meet at the Eppard Shelter during siesta at 1:00PM-1:30PM. Please arrive in field uniform and OA sash. Be Prepared to answer questions regarding what you have learned during your Ordeal, and what you have learned as an Ordeal Member.

*Please note, we are only able to question members of Shenandoah Lodge.*

### Wednesday: Brotherhood Hike and Ceremony

Those that have completed their brotherhood questioning and all other

requirements for the Brotherhood Honor, should meet their guide on the Trading Post porch at 7:30PM for the Brotherhood Hike. Please wear your field uniform and OA sash. New Brotherhood Honor members must check with the Trading Post beforehand, to ensure all dues are up to date, and to pay the 25\$ for new Brotherhood sash and Ceremonial text. Bring water; a backpack or similar is not necessary. We can only induct new Brotherhood Honor members that are members of Shenandoah Lodge.

All Brotherhood or Vigil members, regardless of Lodge, are welcomed to watch the Brotherhood Ceremony at 8:15 p.m. Arrive at the OA Ring in your field uniform and OA sash. Use a Camp map to find your way, taking the trail through the Barnett Campsite. Please be respectful of Scouts and Scouters camping there. If you wish to help set up, arrive up to half an hour earlier; our ceremonialists will be there.

### Thursday: Patch Trade-o-ree

Threadheads, bring your patch collection! All Scouts are welcome at this event. Meet at the Eppard Shelter during siesta at 1:00PM-1:30PM. All BSA or OA patches are welcome. This event is run by Arrowmen, so please speak to the Camp Chief about helping to run this event. Trades must be fair. No trades may be made without supervision by an Arrowmen helping to run the event.

### Friday: New Ordeal/Ordeal Candidate Recognition

This event takes place during the Friday night closing campfire. Its purpose is to recognize new or upcoming members in the OA. We do this in the form of a ceremony. Unit leaders, if you wish to recognize a member of your unit for their recent election into the OA or the completion of their Ordeal, raise an OA sash, arrow pointing down, above the member's head in order to recognize them. Do this when a call to search out members is made, and the drum is sounding. Our ceremonialist team will bring your member forward to be recognized.

Afterward, our Camp Chief will meet these members in the Dining Hall to introduce them to our Lodge, and the OA in general. If you have a member in your unit that is not registered with the Virginia Headwaters Council, please give the Camp Chief, in writing, a list of all members to be recognized. This is to ensure proper communication with their local Lodge.

All youth Arrowmen, please speak to the Camp Chief if you wish to help with the recognition Ceremony. We encourage you to get a taste of being a ceremonialist by helping to carry torches, drumming, or assisting the ceremonialist team in preparing.

# Dining Hall & Meals

## Assembly

Units assemble 15 minutes prior to each meal on the Parade Field. Please be prompt as this is when we hold flag ceremonies, share announcements, and give thanks with grace for each meal. Full field uniform required only for Supper. Morning assembly at 7:45 a.m. and evening assembly at 6:15 p.m.

## Table Waiters

Camp Shenandoah uses a “waiter” system in each unit to give Scouts an opportunity to learn and practice sanitary mealtime habits. Each unit is asked to send two waiters per table to each meal. Table Waiters should report to the Kitchen 15 minutes before meals. Responsibilities include setting tables, wiping down tables, sweeping after meals. The Dining Hall Steward dismisses table waiters after the completion of their duties following the meal.

## Meals

The menu is posted in the Dining Hall and at your campsite. Meals are served by camp staff as you enter the Dining Hall. Seconds may be offered after everyone is served. Along with what is served, additional options are available to you. Fruit, cereal and hard boiled eggs at breakfast, salad bar and PB&J bar at lunch and supper, among other options. Please remain seated in the Dining Hall for a fun song and announcements before dismissal from the Dining Hall Steward.

## Special Requests

Our Food Service Director and kitchen staff strive to accommodate the many allergies and other dietary restrictions. It is very important you let us know in advance using our Special Assistance Request form. We meet typical dietary needs but cannot create individual meals for guests with special lifestyles or picky eaters. Those with special needs or textural adversity are encouraged to provide any specialty food to supplement our menu.. These should be individually boxed, labeled with name and unit number. Speak with our kitchen staff for instructions as they will cheerfully store dry, refrigerated or frozen goods for you.

*Note: the dining hall can be loud. When staff start with “I’ve got a song for you . . .” it is a great time for those sensitive to noise to put in their ear plugs or step outside.*

# Policies & Services

## Camp Sites

Each campsite is arranged with groups of five platforms. These groups we refer to as pods. Each platform has a standard BSA wall tent with two cots, so each pod can house ten people. Every site has a picnic table shelter and a latrine with fresh running water. Our sites can accommodate from 25 to 40 guests. Leaders are welcome to bring their own tent. We ask to the extent possible everyone shares a tent due to spacing considerations.

## Health Lodge

The Camp Health Lodge is staffed 24 hours a day by qualified health personnel who handle all minor injuries, scrapes and bruises, etc. Any person requiring care outside of the scope of the Health Lodge will be referred to urgent care or the emergency room at Augusta Health in Fishersville, VA. For insurance purposes and for the health and safety of all participants, all accidents and illnesses, must be reported to the Health Lodge and recorded. Note: specific COVID-19 protocols may be in place, per state orders.

## Trips to Doctor or Hospital

It is the responsibility of the unit leadership to provide transportation for the unit member(s) requiring travel to or from a doctor or a hospital, unless the Health Officer determines that emergency transport is necessary. One adult leader from the unit, and one additional adult, will accompany the unit member requiring services and is asked to carry insurance forms. They must obtain the Scout’s health and medical form from the Health Lodge before going to the doctor or hospital. Parents or guardians will be notified by the Camp Director immediately of any serious illness or injury. If parents will not be at home while the Scout is at camp, have them advise the unit how they can be contacted. The Camp Medical Officer must clear all cases requiring outside medical care. Please note Urgent Care centers in Staunton or Waynesboro are generally not open after 8:00 p.m., therefore treatment should be obtained at the Emergency Department of Augusta Health in Fishersville, VA. *Note: specific COVID-19 protocols may be in place, per the Virginia Department of Health.*

## Feminine Hygiene

Female scouts and scouters are encouraged to bring feminine hygiene products to camp even if they are not expecting their menstrual cycle to start. No matter how consistent a female’s cycle may be normally, camping in the woods can affect timing and flow. Unused feminine hygiene products should be stored on the troop trailer or secured with other smellable items such as food and toiletries and not in the tents. Used products can be disposed of in the trash can provided in the latrine (NOT in the latrine) and collected each night during latrine duty for disposal in the camp dumpster.

## Security

All guests wear the wristband issued at check in. Staff are identified by a Field Uniform with a Camp Staff name tag and position patch or by a STAFF “Class B” shirt. All visitors to camp must report immediately to the camp office to sign in and receive a visitor’s wristband. Departing guests and visitors sign out and turn in the wristband. If a leader is coming to camp to relieve another leader, they must first sign in and the other leader needs to sign out. Any person on camp property without a name badge or a wristband should be reported immediately to the camp office.

## Buddy System

The buddy system is a safety measure for all Scouting activities. Buddies should know and be comfortable with each other. Self-selection with no more than two years age or significant differences in maturity should be strongly encouraged. When necessary, a buddy team may consist of three Scouts and is required for mixed gender buddies. No youth should be forced into or made to feel uncomfortable by a buddy assignment.

## Telephone

The office telephone is staffed from 9:00AM to 9:00PM. This line is used strictly for Camp business. If you need to reach a camper, we will be happy to relay a message to them. In the event of an emergency, a staff member will immediately make contact with the appropriate people.

## Power Generators & CPAP Machines

Gasoline power generators are not allowed in campsites. If someone has a special need, including the use of a CPAP machine, please contact the Camp Director at least one week prior to your arrival at Camp, and we will do our best to accommodate. There are no electrical outlets in campsites. Many CPAP users utilize a battery powered machine that is easily recharged at the Maintenance Building. Please ask to speak with our Ranger if someone will need a daytime charging outlet.

## Fire Safety & Fuels

The use of liquid fuel stoves and lanterns in a campsite is permitted under the supervision of an adult leader. Under no circumstances are liquid fuels or lanterns allowed in tents. Bulk containers of fuel and unattached propane tanks must be stored in the maintenance area. Please enforce our NO Flames in Tents policy by showing Scouts the signage. Only flashlights, headlights and battery lanterns are to be used in tents.

## Vehicles & Trailers

One trailer per unit may be parked in campsites. It must be disconnected from the tow vehicle and the tow vehicle must return to the camp parking lot.

Trailer wheels must be chocked, and the tongue must be secured on a block or stand such that the trailer is safe, secure and does not block roads or trails. No vehicles may remain in campsites.

## Youth Leaving Camp Early

We understand a prior commitment may require a Scout to temporarily leave camp. Should you know this in advance, please prepare our Youth Leaving Camp Early Release Authorization Form. Using this form, the Scout’s parent(s) or legal guardian must notify the Camp Administration in writing that a Scout may have an interrupted or shortened stay at Camp Shenandoah. This written statement must include the departure information and return information if the Scout is going to return. It must also detail who is authorized to pick up the youth. Both parent and Scout leader in charge must sign the release form.

## Scout Mail

Scouts love receiving a postcard, note or goodie box from home! USPS, UPS and FedEx all use the same address. To assure timely delivery, you can send mail to your Scout the week prior to arrival and we’ll make certain it is delivered.

## Trading Post

The Trading Post was remodeled in 2020 and is a natural gathering area at camp! With a front porch with tables, chairs, and a charging station, it’s a great place to socialize and take in camp life. Inside, you’ll discover Merit Badge books, t-shirts, hats, hoodies, equipment, handicrafts, toiletries, gift items, knives, Camp Shenandoah souvenir items, and much more. Water, soft drinks, Slush Puppies, and snacks are always popular! The Trading Post is open from 9:00AM—8:00PM, except during meal times. On average, Scouts spend roughly \$65 in the Trading Post. Cash, checks, and credit/debit cards are welcome.

## Friends & Family Night

Friday evening is a wonderful way to wrap up your awesome camping experience! In order to accommodate visitors, Camp Shenandoah goes picnic style on Friday evening with several options for you to choose. Troops frequently have family and friends bring a potluck dinner to the campsite. In the mood for a pizza party? Domino’s Pizza in Staunton will deliver to the Dining Hall on Friday. Simply place your order and pay at the Trading Post by Thursday evening. And, we’ll tip the driver for you! Our Dining Hall staff also prepares dinner to be enjoyed in the Dining Hall or elsewhere at camp. Your guests can join you by purchasing an \$10 meal ticket in the Trading Post. We always suggest your guests bring a blanket or lawn chair so you can enjoy your meal in the natural surroundings of Camp Shenandoah! We ask all visitors to depart camp with great memories before 10:00 p.m.

# Leader Information

## Orientation

Unit leaders and Senior Patrol Leaders are asked to attend our orientation meeting on Sunday evening after supper at 7:15 p.m. Introductions, important information, and any schedule changes are shared at this gathering.

## Scoutmaster Forum

Each morning, the Camp Administration hosts the Scoutmaster Forum at 9:00 a.m. to provide daily information about Camp as well as opportunities for input about your unit's summer camp experience and any needs. Please have at least one leader from your unit attend each meeting.

## Staying Connected

Cell connectivity in camp is spotty and varies by location. We understand some leaders may need to have a more reliable Wi-Fi connection and can be accessed by inquiring at the Admin office. If a unit has sufficient leadership, an adult may leave camp traveling to one of several free hotspot businesses in Staunton.

## Training

Sign up for training in Black Pug. Safe Swim Defense/Safety Afloat, Paddle Craft Safety and BSA Approved Swim Check Procedures. Introduction to Outdoor Leader Skills offered Tuesday, Wednesday, and Thursday afternoons (requires prior online self-study at [my.scouting.org](https://my.scouting.org)). NRA Basic Pistol Course (\$50). This afternoon-evening course is held on Thursday. Participants must be attending camp as a currently registered adult member of the BSA. Adequate adults must be with the troop while taking this course.

## Hiking/Cycling

The 4.8-mile Boundary Trail offers an excellent way to explore our native woods, grasslands, and flora. Ask us about hiking Elliott Knob (a full day hike). Cycling is permitted by adults outside of the camp's busy and bumpy trails.

## Shower House

The shower house is divided in four sections: male youth, female youth, adult male, and adult female. The building is well lit and open 24-hours a day. We ask adults using the shower house to ensure their Scouts have adequate adults at your campsite. If your Scouts are using the shower house, please have one adult remain outside of the youth side of the building.

## Ranger

Leaders with a couple spare hours and a skill are always welcomed to visit with Ranger Bill Hunter. Have a suggestion or interested in learning about camp? Ranger Bill is your guy.

## Damage to Equipment

Normal usage and wear will result in some breakage of equipment; however, the cost of malicious damage or breakage due to horseplay will be charged to the unit. These fees must be paid before departing. Each campsite will be inspected upon check-in with the unit leaders. All imperfections to equipment should be noted on the check-in forms. Upon check out, the same sheets will be used. If you notice damaged camp property, please inform your unit guide so the damage can be evaluated and dealt with promptly. If intentional damage has been done the unit is charged the following:

- Cot Replacement \$75.00
- Rips and Tears to Tents \$20.00 per inch
- Damage to Tent Platform up to \$125.00
- Damage to Tent Frame \$25.00 per pole
- Other Damages Amount determined by Ranger and Camp Director

## Camp Rules

Camp Shenandoah operates under the Scout Oath and Scout Law. For additional safety of campers and staff, the following is a list of important items of note:

- Closed-toed shoes are always worn. Scouts and Scouters may wear shower shoes/water shoes/sandals inside the shower house and waterfront area only. Scouts and Scouters wear closed-toed shoes as they travel to those locations.
- Fireworks are prohibited.
- Adults who wish to bring their own firearms for use at the shooting ranges must obtain written permission from the Shooting Sports Director at least one week in advance. All firearms are stored on the shooting range under the direct supervision of the Shooting Sports Director.
- Alcohol is prohibited.
- Tobacco products are used only in designated areas.

# Camp Emergency Plan

All units will receive a Camp Emergency Procedures handout before arrival and at the Sunday leaders’ meeting. Admin makes every reasonable effort to monitor weather conditions that may pose a threat to the health and safety of the camp. We utilize real-time lightning detection and boast more than one NWS trained SkyWarn spotter. Ultimately, leaders are responsible for the safety of their Scouts.

## Camp Siren

In the event the camp emergency alert siren is heard, everyone is to immediately report to the Parade Field, lining up at your troop’s position on the field behind the SPL. The SPL and one leader then report to camp leadership at the flagpoles when all youth and adults are present.

## Emergency Drill

Camp conducts a weekly siren emergency drill. When hearing this siren, ensure your unit immediately reports to the Parade Field as specified above. The siren will continue until all units are accounted for. NOTE: When the siren sounds, Staff are trained to muster at a different location.

## Wildlife

Camp Shenandoah is over 450 acres, largely mountain forest and wilderness with a large wildlife population. Please respect our wildlife and do not capture, touch, corner or harass any animals. Keep in mind that having food of any type in your tent or in your campsite is an invitation for animal guests. If you encounter any wildlife, please slowly recede from their environment. Report any dangerous wildlife to Administration or Ranger. If you are bitten by an animal, report to the Health Lodge. There are a variety of snakes, including venomous Eastern Timber Rattlesnakes and Copperheads. If you observe any snake, report it to the Camp Administration. Do not attempt to capture, relocate, or kill any snake. Black Widow spiders have been observed at Camp. You may even hear distant coyotes late at night!
